Shadow was examining an angle measuring 14 1/2 degrees, using his magnifying glass that magnifies everything 10 times. Under the glass, he saw that angle measure?

Once
a life

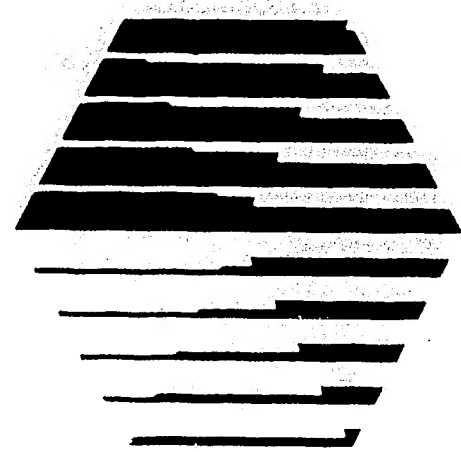

"I have the only key to the room containing the jewelry for Aunt Mary," stated Sid Shady. "Since her death a week ago, neither I nor anybody else has entered this room. I was quite pleased to hear her request that all her jewelry was to be sold and the proceeds to go to charity," continued Shady. Shadow removed a huge plant whose broad leaves were turned toward the wall, partially covering the safe. While Shady was working the combination lock, Shadow crossed the room to sit on the ledge of the large bay window. Shady opened the safe, and removed a fortune of jewels. "I'm sure these jewels will fetch a fortune for charity," said a smiling Sid Shady. "I'll bet these jewels are either fake or there's a few missing," replied Shadow. What aroused Shadow's suspicion?

Once
a life!

"I have the only key to the room containing the jewelry in the vault," stated Sid Shady. "Since her death a week ago, neither I nor anybody else has entered this room. I was quite pleased to hear her will requested that all her jewelry was to be sold and the proceeds to go to charity," continued Shady. Shadow removed a huge plant whose broad leaves were turned toward the wall, partially covering the safe. While Shady was working the combination lock, Shadow crossed the room to sit on the ledge of the large bay window. Shady opened the safe, and in a flash, he was gone. "I'm sure these jewels will fetch a fortune for charity," said a smiling Sid Shady. "I'll bet these jewels are either fake or there's a few missing," replied Shadow. What aroused Shadow's suspicion?
